Township Spends \$29,365.23 for Fiscal Yr. '40-41

Supervisor Naber's Statement Lists Income and Expenses

A total of \$29,365.23 was required to meet the expenses of conducting the business of Antioch township for the fiscal year just closed, according to the statement of Supervisor B. F. Naber, which appears in this edition of the News.

Income from taxes and other sources during the year is listed at \$28,175.72 which with the starting balance of \$4,906.00 at the beginning of the year, totalled \$33,081.72 available to the township. While the year's expenses ran \$1,189.51 ahead of the current income, \$3,716.49 was indicated as a total of the balances remaining in the four major funds at the close of the year.

The lower balance at the close of the year is accounted for in part through the fact that the Black Top Road Fund, a new fund, started the year with nothing on hand. This fund, however, showed a closing balance of \$88.00, with expenditures for new construction and improvements listed at \$6,891.38 and receipts from taxes totalling \$6,979.38.

The road and bridge fund lists expenses at \$8,193.63 as against receipts of \$7,093.85, leaving a balance in that department of \$1,501.60 by reason of the opening balance of \$2,000.78 at the beginning of the year.

By far the largest town fund is the poor fund, which lists receipts of \$10,283.49 and expenses \$10,187.59. The Town Fund from which expenses of administration are paid, received \$3,219 from taxes during the year which began with a balance of \$1,962.16, making a total of \$5,181.16. Expenses are listed at \$4,092.63.

\$3,000 Grocery Bill

Itemization of expenditures from the poor fund reveal that the largest amount spent for dependents was for groceries, with this one item alone totalling \$3,081.11.

Next in size was the county hospital bill, \$2,292.00. The Lake county home was paid \$1,353.40 for the care of dependents; and an additional \$410.80 was paid to St. Therese hospital for care of patients. Victory Memorial hospital received no cases from this township during the year. X-ray plates of dependent patients cost \$161, most of which was paid to Diagnostic Laboratory of Waukegan. Individuals of the township were paid \$458.00 for board and care of dependents, ambulance service and nursing.

The following amounts were received by local grocery stores for supplies for dependents during the year:

Dalgaard's Grocery	\$744.78
Phillips' Store	488.70
Schultz' Grocery	326.00
R. Mann's Grocery	290.00
Chain O' Lakes Grocery	182.06
Powles Market & Grocery	171.50
Keulman Bros.	167.50
Howard Schultz	150.00
Grass Lake Food Mart	147.50
Kuist Grocery	112.50
Clas. Atwood Grocery	64.60
Co-operative Trading Co.	60.00
Hess Grocery	51.60
O. E. Hachmetter	41.50
Malcek's Grocery	34.50
Landrock's Store	27.75
City Food Store	10.00
Marvel Food Store	7.50

Candy "Masterpieces" Are Donated To Antioch Rescue Squad

A huge decorated candy basket and a gigantic Easter egg have been donated to Ted Poulos of Ted's Sweet-shop to the Antioch Rescue squad, to be used for the raising of funds for the purchase of new uniforms. They are on display in the window of the Sweet shop.

Both are hand-made of sweet milk chocolate, elaborately decorated with candy flowers, leaves and scrolls, and have been greatly admired by persons stopping in at the shop.

Mrs. Hattie Marzahl of LaGrange was the guest of Mrs. Alice Freeman at the H. B. Gaston home over the week end.

Mrs. Fred Stierbenz of Loon Lake spent the week end in Chicago, visiting her daughter and new granddaughter.

Robert Burke of Beloit college is spending his Easter vacation with his parents, Mr. and Mrs. B. R. Burke.

GRADE SCHOOL ELECTION WILL DRAW LARGE VOTE

Competition among candidates for members of the grade school board of education at the election to be held Saturday afternoon is expected to draw the largest vote ever recorded here in a grade school election. The polls will be open from 1 to 6 p. m.

While President Robert J. Wilton is without opposition for re-election, lively campaigning is expected to be staged by friends of the four candidates seeking membership on the board. The candidates are: Arthur J. Laursen, Henry J. Rentner, Elmer Hunter and Mrs. Edith J. Elms. Only two are to be elected, and the successful candidates will succeed Elmer Brinkman and Arthur Hawkins whose terms expire this April.

Other members of the board are Mrs. Joseph Patrovsky, Mrs. Roy Kufalk, Roy Burdick, and Mrs. Otto S. Klass, secretary.

Quiet Election at High School.
A quiet election is in prospect at the Antioch High school where Walter K. Hills is the lone candidate for re-election as member of the high school board of education. The polling will also be held on Saturday afternoon from 12 noon to 7 p. m.

Other members of the board are Arthur Maplethorpe, president, Paul Chase, James McMillen, and Mrs. Lester Osmond, secretary.

To Elect Trustee
Also at the high school Saturday afternoon, from 1 to 5 p. m. an election will be held for trustee of the local school township, known as Township 46, Range 10 East of the 3rd Principal Meridian. Otto S. Klass, whose term expires, is a candidate for re-election.

The township school board consists of three members who serve six year terms, one being elected every alternate year. Other board members are D. H. Minto and Bert Edwards. George B. Bartlett has been appointed by the trustees as township treasurer for the past 18 years. He is also ex-officio secretary.

District Heads Attend Legion Meeting Here

Help Celebrate Antioch Post's 100% Membership

Douglas Getchell of Grayslake, tenth district commander, was among the special guests at a meeting of the Antioch American Legion post Thursday evening in the Legion hall.

Charles Prizer, senior vice-commander of the district, and Legion membership chairman, and Matt Porter, athletic officer, attended from Lake Bluff.

Members of the Antioch fire department were also special guests, to help celebrate the Antioch post's reaching 100 percent membership with 109 members.

News of interest to Legionnaires was presented by Prizer, who announced his candidacy for district commander this coming summer.

Festival Committee

Commander J. Harry Messing appointed a committee for the summer festival sponsored by the Legion, including Walter K. Hills as chairman, Clarence J. White, Warren Edwards and John Horan. The committee was instructed to arrange for dates of the festival, to be held some time in July.

Five Antioch members accompanied Lake Region post of Fox Lake to Hospital 705 at Downey, Ill. (North Chicago), to play cards with the veterans on onday evening. This is a monthly custom observed by various Legion posts, which take turns at acting as hosts at a card party for hospitalized veterans, with cigarettes being supplied by the host Legion members.

Chicago Art Director Will Address P. T. A.

Elizabeth Wells Roberson, director of arts for the Chicago city schools, will speak on "Art in Every Day Life" at a meeting of the Antioch P. T. A. Monday evening, April 14. Slides will be used to illustrate her talk.

The first and second grade rhythm bands will play.

Election of officers for the coming year will take place during the business session.

Mrs. Hunt Speaks at Fox Lake, Ingleside

Mrs. Marion Hunt of the MariAnne ship in Antioch and Libertyville spoke at a meeting of the Ingleside Ladies Aid society Wednesday on "Antiques and Hobbies."

On Monday, she addressed the Fox Lake Junior Woman's club, speaking on "Spring Trends in Fashions."

Business Club Women Greet Speaker

Left to right, first row, are Mrs. Vera L. Rentner, president of the Antioch Business and Professional Women's club; Walter T. Atkinson, Lake county deputy sheriff, speaker at a meeting of the club Monday evening; Mrs. Charles N. Lux, program chairman; standing, Miss Catherine Smith, secretary, and Mrs. S. B. Nelson, treasurer.

All is Quiet on Antioch Village Election Front

Unless someone starts a campaign for a lot of "write-ins," which seems hardly likely, the Antioch village election Tuesday, April 15, promises to be an exceedingly quiet affair.

The "Citizens' party" ticket, headed by the veteran village president, George B. Bartlett, is made up entirely of incumbents, with one exception.

The exception is the office of village treasurer. Mrs. Vera L. Rentner is a candidate for this office, to succeed Russell Barnstable, who cannot be a candidate to succeed himself. This is the first time a woman has been a candidate for one of the major village offices, but because of her business experience as an assistant cashier at the First National bank and her general interest in community affairs, Mrs. Rentner's nomination has met with approval.

Three trustees are to be elected. Walter L. Scott, Laurel D. Powles and James Stearns are the candidates announced.

Roy L. Murrie, who has shown a record of notable efficiency as village clerk, is also again a candidate, and Elmer B. Brook is a candidate to succeed himself as police magistrate.

To Extend Scope of First Aid Instruction

Plans to extend considerably the scope of Red Cross first aid work in the lakes region during the coming months are now being made, according to Herman Holbek, chairman of this work in the central and western part of Lake county, from Grange west.

A class for girls has been started at Antioch High school, with Second Lieutenant Herman Rosing of the Antioch Rescue squad as instructor. Nineteen are enrolled in the class. A boys' class in first aid is also to be organized. Twenty-five textbooks on first aid have been purchased by the High school from the Red Cross for use in these and succeeding classes.

Classes in first aid are also to be started in nearby communities, and plans for these are now being made, according to Holbek, who is now arranging for instructors to take charge of these classes.

Antioch Firemen Have Two Calls Wednesday

Minor damages, due mainly to smoke, resulted from a fire in the basement of the Nelson Drom home on North Avenue, where the Antioch fire department was called Wednesday, at 12:20 o'clock.

The fire resulted when wood was thrown on top of hot ashes.

At around 2 o'clock Wednesday afternoon, the firemen were called out again for a grass fire south of Antioch.

Antioch High school Future Farmers will hold their annual banquet on Tuesday evening, April 22.

LOCAL AGRICULTURE INSTRUCTOR ATTENDS ELGIN C. C. MEETING

C. L. Kutil, vocational agriculture instructor, attended a special meeting of the Chamber of Commerce at Elgin, Illinois, Friday evening, when arrangements were made to hold the Sectional Future Farmer-Livestock show in conjunction with the Elgin Agricultural fair on August 5, 6, 7 and 8.

Local Future Farmers will be permitted to enter the open classes, but in that case will not be released until 4 p. m., August 7th.

Several new classes will be added to the premium catalog and more and greater free attractions have already been secured.

Approximately 15 to 20 local boys show cattle and other livestock at Elgin annually, and C. L. Kutil has assisted with the Elgin Fair in one capacity or another since its founding in 1936.

Weather Bureau Begins Functioning Here this Month

Postmaster Kufalk Acts as Custodian for Government Apparatus

Now established in the rear of Postmaster Roy Kufalk's home on Victoria street, the Antioch weather bureau has been functioning since April 1, after a lapse of several years' time.

The equipment set up here, under the auspices of the United States weather bureau, includes two thermometers, one of which registers the maximum and the other the minimum temperature during the day, and a rain gauge.

Reports are sent in to Springfield once a month, and in return the Antioch weather man gets a great deal of information useful to his locality. No salary is attached to the job.

It is considered of special value to have a weather bureau here because Antioch, which draws its weather from the Fox River valley, extending northward up into Wisconsin, generally shows considerable variation in temperature from the towns along the Lake Michigan shore.

The newly re-established Antioch bureau is the only one between Madison, Wis., and Aurora, Ill.

For about 25 years a government barometer was stationed at Antioch. It had previously been kept in Lake Villa under the custody of Del Sablin. Later it was turned over to J. C. James here, and was also under the charge of George B. Bartlett, the present village mayor, for a number of years.

About 7 or 8 years ago it was taken to Waukegan, where it is now located.

HARRY WILLET PROMOTED

Harry Willet who has been in the railway mail service for the last five years has been made transfer clerk at the Union Station in Chicago.

Business Women Hear How Sheriff's Department Works

Mrs. Bennett Is Elected President During Club's Business Session

Mrs. Esther Bennett was elected president of the Antioch Business and Professional Women's club at a dinner meeting Monday evening in the Round-up restaurant.

Mrs. John Atkinson is vice-president, Miss Margaret McDorman secretary and Mrs. Herman Holbek treasurer. A unanimous vote was cast for all officers.

Mrs. Vera Rentner is the out-going president. Mrs. Bennett has served as vice-president during the past year, Miss Catherine Smith as secretary and Mrs. S. Boyer Nelson as treasurer.

A revised constitution and new set of by-laws were adopted by the club. They were prepared by a committee including Mrs. Bennett, Miss Isabel Larimer and Miss Ayleen Wilson. The old and new constitutions were read at the meeting by Mrs. Bennett and Miss Wilson.

The business session followed a 7 o'clock roast pork dinner served under the charge of Mrs. A. K. Mueller, who is a member of the club, and an interesting talk by Walter L. Atkinson, chief deputy sheriff of Lake county.

"Best Equipped Department"

"Through the leadership of Sheriff Thomas Kennedy and the whole-hearted co-operation we have received from our Lake county board of supervisors, we have been fortunate in building up our equipment and organization until the Lake county sheriff's department is recognized as the best-equipped in the state, after Cook county," Deputy Atkinson told his listeners at the opening of his talk.

Taking as his general subject the principal duties of a sheriff's department he illustrated it with various pieces of standard equipment he had brought with him.

The importance of radio communication systems in preventing crime or apprehending criminals was especially stressed by the speaker.

Highlights of his talk were as follows:

"Lots of people think it's an easy thing to find the perpetrator of a crime (continued on page 8)"

Future Farmers Plant More Trees

Members of the Antioch Chapter of Future Farmers of America of the Antioch High School are planting 200 white ash forest seedlings this week on the 10 acre forest and game reserve on the Antioch High School grounds.

These trees are planted to fill in where previous plantings have failed. About 80 percent of the 1500 trees planted in the spring of 1939 are alive this spring. The white ash seem to be making the best progress and are the least susceptible to field mice and rabbit injury according to C. L. Kutil, who has the interest of the project at heart.

A few of the trees have averaged approximately a foot of growth per year.

DISTRICT H. S. GOLF MEET TO BE HELD MAY 3 AT ANTIOCH

Antioch Township High School will be host to the district golf tournament at the Chain O' Lakes course on May 3.

On April 21, a golf match with McHenry High school will be held here.

The baseball season will get under way with a game with Elia, to be held here Tuesday, April 18.

On April 22, Antioch baseball players will travel to McHenry.

Firemen Enjoy Sausage and Potato Pancakes

Fresh pork sausage and potato pancakes were enjoyed by members of the Antioch Fire department following their meeting Tuesday night. The pig was the gift of Ralph Miller, who donated it to the firemen in appreciation of their services at a fire he had at his farm home some weeks ago.

Several visiting firemen from Fox Lake, Grayslake, and other departments were present, to enjoy the feed and the motion picture film, "Tobacco-land," featuring Fred Waring's orchestra in "Pleasure Time."

Make your Power
as you need itTHE only way to get
power out of an engine
is to burn fuel in it.And it wouldn't be smart to
burn enough gas to develop
a hundred-plus horsepower
all of the time—when it usually
takes only a small part
of that to give you the performance
you want.The sensible thing to do is to
develop power as you need
it—and that is precisely what
the Buick FIREBALL eight
with Compound Carbure-
tion† does.As long as one of the two
carburetors in this system
will do the job, that is the
only one that functions.But when you need extra
power, extra pressure on the

carburetor into action, feed-
ing more fuel mixture into
your engine and pouring
more horsepower out.

"JOIN OUR DRESS CLUB"

Yesterdays**50 YEARS AGO**

In the Antioch News April 9, 1891.

From the Lake Zurich items:

Henry Johnson and family, lately in the employ of Wm. Spinner, have moved into the house vacated by J. Sumnerfeldt at Lake Zurich. He contemplates moving again and says the house is haunted—doors opening and closing without anyone near them.

Mr. J. C. Whitney is evidently preparing to drive a stylish team this summer, as he is marring a fine span of colts.

Four-horse teams are the rule nowadays with only ordinary loads. The mud is as deep as it has been at any time.

The sidewalk from the depot to the post office is about finished.

Trevor items:

Sunday night last we had a very nice snow storm which made the muddy roads a little more muddy for a change.

There was quite a lot of sheep shearers, left Trevor last Monday night for Minneapolis to shear 11,000 sheep, and more will be wanted soon by G. H. Booth who is agent for parties owning sheep.

Grasslake:

Our little town is booming and full of teams. We shall have a new harness shop here soon.

Prizes in the Sunday school entertainment were taken by Archie Ritchie and Mabel Curry.

Libertyville:

There will be a hop in the town hall, Holiday, on next Friday evening.

Miss Mabel Ellis commenced the spring term of school at Quentin's Corners, in Cuba, on last Monday.

Mr. Samier is building a front fence, which makes quite an addition to his place.

Scientific note—The claims made for aluminum as the metal of the future

are shown to be extravagant by William Kent in the American Machinist. If aluminum should ever be reduced in price he says, to 10 or 15 cents a pound, what field is there for the metal at that price? It cannot possibly replace iron or steel as a structural metal, it is too cheap to replace silver for coins and for high priced tableware, is less useful for stills than copper, and thus far has not been successfully brazed. Its cheap production would be a boon to many arts and industries which are already using it in ever-increasing quantities, but there is absolutely no foundation for the extravagant claims which have been made for it, and no ground for believing it will "revolutionize the world."

35 YEARS AGO

April 12, 1906

The earliest landmark in Lake county, the old tavern at Hainesville, was burned to the ground in a fire that threatened the entire village Monday morning at 3 o'clock.

Charles Harbaugh recently closed a

deal by which he became owner of the Ingleside lumber yard.

Sarah Bernhardt was compelled to play in a tent in Texas because of the theater syndicate which closed the houses to her.

Word has come to Indianapolis from Washington that the government will lend every material aid to the plans of the United States Steel corporation to establish a mammoth plant in Lake county, Indiana, at a site near Indiana Harbor, and which is to be known as Gary.

22 YEARS AGO

April 10, 1919

The frequent rains of the past week have delayed farmers in their work on the land.

The Victory Loan campaign will be launched on Monday, April 21, and will close on the tenth of May. Lake county's quota is \$2,297,475. Antioch's quota is \$63,525.

Mr. Stankley of Trevor is the proud possessor of a new Oldsmobile, purchased of Charles Curtis of Kenosha. Mr. and Mrs. B. J. Hooper of Lake Villa will celebrate their wedding anniversary Saturday.

SAVE MILK!

... FEED DRY CALF STARTENA INSTEAD OF MILK.

Many dairymen are now cutting way down on the milk they give calves by feeding Purina Calf Startena instead. It's a dry feed that calves start eating when 4 days old and then they need no milk at all after the first month. Calf Startena is easy to feed and it's economical, too, because one bag replaces 40 gals. of milk. For big, growthy calves feed Purina Calf Startena and see the extra milk you'll save. Come in—let us tell you more about this special feed.

HYDRA-MATIC

WORLD'S ONLY DRIVE WITH NO CLUTCH TO PRESS! . . . NO GEARS TO SHIFT!

WHEN you see the Hydra-Matic emblem on the "car ahead," you know it stands for two things: One—the drive that's backed by the biggest name in motordom! Two—the drive that does things no other drive can do! No other drive in the world completely eliminates the conventional clutch and clutch pedal. No other gives completely automatic shifting through all four forward speeds. And no other makes driving so simple, easy and safe. Why not try the car that has the drive that General Motors builds—try Oldsmobile! Hydra-Matic Drive Optional at Extra Cost.

Thornless Hybrid Tea Rose
Thornless Beauty is the world's first recorded hybrid tea rose of this kind. It is a beautiful shade of crimson, perfectly formed, fully double, about four inches across and the roses bloom all summer. The plant patent has been applied for.

Spider Changes Color.
The crab spider assumes the color of the flower on which it lives and hides in the heart of the blossom awaiting its prey.

NEWS EXTRA

... for first-time electric refrigerator buyers!

NOTICE—if you do not now own a mechanical refrigerator, stop in at your nearest Public Service store and ask about the special "First-Time Buyers Plan". Makes it easy for you to own one.

Frigidaire—General Electric—Westinghouse—three great refrigerators for 1941. More value, more features, more beauty than ever before... with glistening, easy-to-clean surfaces—large food storage compartments—big ice cube capacities and easy-to-empty trays... automatic interior lights—economical to operate—you get all these and many other features, too. See them—compare them—choose the one that best suits your needs.

Small Down Payment

Balance, plus small carrying charge, payable in easy monthly amounts with your Electric Service bill.

Your local dealer is also offering fine values in Electric Refrigerators

Co. P. T. A. School of Instruction Announced

A number of Antioch representatives are planning to attend the school of instruction to be held at the Lake Villa Grade school May 1 by the Lake County Council of Parents and Teachers.

Mrs. Elmer Hunter of Antioch will preside.

Registration will be held at 1:30 p. m., with an afternoon session following. From 6 to 7 o'clock a supper will be served, with a charge of 50 cents a plate.

Mrs. F. Russell Lyons, president of the Illinois Congress of Parents and Teachers, will give an address on "School and Community Co-ordination" at the evening session, which will begin at 7:30 o'clock.

A group installation ceremony for all Lake county Parent-Teacher association officers, including the county council officers, will follow.

Dressy and tailored blouses, long and short sleeved, \$1 and \$1.95. Williams Dept. Store, Antioch.

If fingerprints are found at the scene, you'd be surprised how deceiving some of these finger-print clues can be... but they do help a lot sometimes, taken in conjunction with other clues.

Heel Prints, Too

"Finger prints are not the only marks of identification registered in government files in Washington, D. C. Heel-prints of all makes of heels are registered and classified, together with the names of companies manufacturing them, and other information. Since fingerprints are frequently found at scenes of crimes where fingerprints are not available, heel-prints have in more than one instance helped to solve burglaries in Lake County.

There is also a file in Washington of the prints of all makes of tires.

"Finger-print files include those of veterans, as of the World War, a personal file, an applicant file, including persons registering for government positions, police, etc., and an alien registration file. These files are often used in identifying the bodies of persons found dead, without marks of identification on them.

"Sometimes folks think a police officer has an easy time of it," said Atkinson. "Maybe in a way he does, but you never know when your work is done, or when you're going to be called out. We average about two accidents a day, and there were more than 50 people killed in Lake county during the past year.

"We don't make a practice of arresting people on traffic violations, although we warn them. Our object is mainly to protect people.

"One of the big parts of our work, particularly around the resort country, is to check homes, to make sure everything is all right. We have three shifts of men working on patrol and radio work and taking care of the county jail.

"You hear a lot these days about 'fifth columnists.' Well, I presume, we have them. However, most of the cases of so-called 'fifth columnists' we investigate turn out to be mainly a matter of someone trying to 'get even' with someone else. And another thing that will surprise you... the real fifth columnists are by no means necessarily of German descent—in fact, they are of almost any nationality (quite a few of them are Russian), and they are only engaged in that sort of thing for whatever money they get out of it.

"Quite a lot of a deputy's time is taken up in training for various parts of his work. We all have to have knowledge of first aid and radio work, and then we have target practice and so on. Some of our men attend FBI school and receive special training.

Are Their Own Typists

"A deputy spends a lot of time typing out his reports, too. If he isn't a fast typist he may have to stay up till 3 o'clock in the morning... for he

can't let his wife, or anyone else do his typing for him. He has to do it himself.

"Curiously enough, and contrary to general belief, a lot of the really bad automobile accidents we have to report are not caused by the thing that is blamed for them—drunken driving. They are generally due to excessive speed. It has been our observation that a person who has been drinking tends more often to drive slowly.

"Don't drive fast if you can help it—and if there is an occasion when you really have to hurry—be careful!

"We never let our deputies move accident victims; but make them wait for a doctor or ambulance. Many people who might otherwise have lived have

been killed by being put in a car and run-hed to a hospital, especially in cases where they had a broken rib or vertebra. The only exception we make is when they are bleeding badly, and the risk that they really bleed to death is as great as that from moving them. In such cases we rush them to the nearest place where they can be cared for. Unless people express a wish to be taken to a certain hospital, we take them to the nearest one.

"And let me warn you—don't do any more Sunday pleasure driving than you have to—or else get off on a quiet road somewhere away from traffic. Why, I don't dare do Sunday pleasure driving myself, though my wife used to want me to until we ran onto the scene of a couple of bad accidents."

THE TRUTH REMAINS

But while the children roll eggs, you should roll along in the Easter Parade in one of our used cars that are RE-CONDITIONED to look like new. Come in today and see what we are offering... terms arranged to suit you.
